

**We need you for
7M Career Day 2008!**

Wednesday, May 21, 2008

8:30 - 10:50 A.M.

We are in need of parents or relatives to share their careers with our students. Recently, the seventh graders did some research that focused on understanding personal likes/dislikes and what type of job would best fit their personality and interests. We would like at least four presenters.

Speakers will present four sessions (different groups of approximately 20 students will come to you), and each will be 20-25 minutes long. We've planned for a 20-minute presentation with time for questions. The purpose of this activity is for the students to begin to develop an appreciation for careers and career pathways. To accomplish that goal, we hope that you can cover some of the following topics in your presentation:

- ❖ Company you work for and what it does
- ❖ Your title
- ❖ Major job responsibilities
- ❖ Starting salary
- ❖ Typical day
- ❖ What you like best about your job and why
- ❖ What you wish you didn't have to do on your job and why
- ❖ Why you chose to work for your company
- ❖ Why you chose to do the type of job you do
- ❖ Employability skills necessary: attendance, time-on-task, apparel, interpersonal relationships, communication skills
- ❖ What are some of the more rewarding aspects of your job
- ❖ Education necessary

If you are interested, please fill out the attached form and return it by Friday, May 9 to Mrs. Williams. At that time, we will evaluate the number of interested speakers and different career pathways that are represented. We will contact you by May 14th to let you know if you have been selected to present.

If you have further questions, please call Debbie Williams at 248.541.7100, ext. 2084 or e-mail her at williamsd@royaloakschools.com.
